Hadoop Common / HADOOP-373

## Some calls to mkdirs do not check return value

~	D	et	tai	ls

Type: □ Bug

Priority: ≈ Major

Affects Version/s: 0.5.0

Component/s: None Labels: None

Description

Some calls to mkdirs do not check if mkdirs failed.

Arun noticed this while looking at HADOOP 281. Since this issue is actually a separate issue from the mkdirs implementation issue of HADOOP 281, I created a new bug for it.

I've changed calls which did not check the return value.
